

## REMARKS

The word "method" in the preamble of Claim 111 which depends from structure Claim 110 has been corrected to "structure" so that Claim 111 is properly a structure claim. No other changes have been made to the claims. Accordingly, Claims 17 - 130 continue to be pending.

Similar to the revision made here to Claim 111, the word "method" in the preamble of each of Claims 125 and 128 which respectively depend from structure Claims 123 and 126 was corrected to "structure" in the 6 May 2005 Supplemental Amendment so that Claims 125 and 128 are properly structure claims. However, in the Remarks on page 19 of the May 2005 Amendment, Applicant's Attorney incorrectly stated that "The word 'structure' in the preamble of each of method Claims 125 and 128 has been corrected to 'method'". Instead, Applicant's Attorney should have stated that "The word 'method' in the preamble of each of Claims 125 and 128 has been corrected to 'structure'".
